Sir,

With reference to your letter No.J.2955/Legis.42-13-1 dated the 9th April 1914, calling for a report as to whether the period of protection afforded to antelope, pea-fowl and birds of bright coloured plumage should further be extended, I have the honor to state that of the officers, who were consulted in the matter, all the District Magistrates ~~except that of Kadur~~, and the Conservator of Forests have offered the following opinion:

1. The District Magistrates of Bangalore, Hassan and Mysore opine that the period of protection to antelope, pea-fowl and birds of bright coloured plumage should be further extended by three years; those of Kolar and Chitaldrug recommend five years extension and those of Shimoga and Kadur two years. The District Magistrate, Tumkur, while suggesting permanent protection recommends in the alternative three years extension. The Conservator of Forests, recommends absolute protection for ever to pea-fowl and birds of bright coloured plumage and three years to antelope.

2. Protection may be extended by another five years to antelopes and to the pea-fowl and birds of bright plumage absolutely.
